HAYA ABDUL JABBAR

CYBER SECURITY
WEBSITE DEVELOPMENT

I'm a Full Stack Developer with expertise in WordPress, Shopify, React.js, and Next.js, delivering high-quality solutions. Currently, I'm expanding my skills with a Cloud Cyber Security course to build secure digital systems.

EXPERIENCE

WEB DEVELOPMENT
UPWORK FREELANCE

- 2023- 2024
- I'm a Full Stack Developer with 1 year of experience on Upwork, specializing in WordPress, Shopify, React.js, and Next.js. I've successfully completed various projects, delivering high-quality, client-focused solutions. My goal is to ensure every project meets and exceeds expectations.

PROJECTS

EXPANDENSIA AGENCY WEBSITE

- 2024
- Working with Haya for over a month has been an amazing experience. She has built several websites for me with incredible passion and dedication. Haya doesn't just do her job, she really gets involved and always exceeds my expectations. Her professionalism and creativity make all the difference. I am thrilled with our collaboration and would recommend her 1000% without hesitation. Thank you so much Haya, I look forward to continuing to work with you!
